

support workers

Home and Community Care Workers provide individual assistance and support to older people, people with a disability and their carers.

As a Home and Community Care Worker you will enjoy:

- Working with a variety of families in their own homes.
- Making a difference in the community.
- Working in a growth industry.

You will have access to:

- Competitive Wages (including paid travel time between jobs).
- Up to 13 hours a week (depending on availability).
- Regular training and ongoing support.
- Dual Certificate III qualification will be offered to applicants who do not have formal qualifications or have not completed a traineeship elsewhere **OR**

If you have a Certificate III qualification in Aged, HACC or Disability, we can help you Up-skill to Certificate IV.

Want to know more? Then join us...
