

# MEDIA RELEASE

Bairnsdale Advertiser, Friday 23 September 2011

The Metung Community Health Steering Committee, Kings Cove Metung and GLCH celebrate the 'turning of the sod' at the site of the new medical centre in Metung.

After many years of hard work, the Committee are pleased to announce that construction of the new medical centre is underway.

Kings Cove Metung donated the land for the facility and GLCH has received a federal funding grant for part of the cost of the building. Metung resident and architect Nic van der Nol designed the building.

GLCH will continue to pursue funding for Stage 2 of the project - a community multipurpose room.
